Performing and Fine Arts 2008-2009 Professional Artists Tour Season at the CenterStage

The curtain is about to go up on another season of artistic adventure in the CenterStage at the Reston Community Center this year.

The Reston Community Center serves the social, recreational and cultural needs of the Reston community. We host some 65 professional arts events annually. Our 300-seat, professionally-staffed and equipped proscenium theater is home base for nine community arts organizations.

"At Hunters Woods Village Center…swing through the plaza to the Reston Community Center and catch a performance at the CenterStage. The venue offers dance, theatre and musical performances as well as lectures by both local and world-renowned artists. (I even performed there once as a young, budding dancer, but that's a whole different story.)" – Willona Sloan, *The Washington Post*

1. Performance, date, day, and curtain time.
